***PRIVACY.
ELEGANCE.
AFFORDABILITY.***

WHY FREEDOM?

TOTAL PRIVACY

- * All doors and panels to be 75" high with int. wood frame.
 - * Continuous U brackets at all connections.
 - * No sight strip at keeper side of door.
 - * Piano hinges (71" high)
- * Limited exposed screws at outer side of stalls for a clean appearance.

POWDER COATED AND STAINLESS STEEL

- * Easy to maintain, durable and fire resistant.
- * Available in a large array of colors.

NO-SIGHT DESIGN

- * Completely eliminates sightline gaps at all connections
- * Limited exposed screws on outside of stalls

The **ECONOMICAL** Solution.
